

**Celebrating our 14<sup>th</sup> year of Christian Education**

# ***DLS NEWSLETTER***

**Volume XIV - Issue 37 - May 25th, 2017**

"And they continued steadfastly in the apostles' doctrine and fellowship, in the breaking of bread, and in prayers," (Acts 2: 42).

Dear Friends of DLS,

May our gracious and loving Savior grant to each of us diligence in the use of Word and Sacrament which describes those in the early church in the Bible passage from Acts 2. We easily forget the Lord and the importance of hearing His Word and being in His House to receive His gifts. We are sinfully forgetful! To hear of Christ and His cross, His spilled blood, and His glorious resurrection is life. To hear you are loved, forgiven of your every sin, and never forgotten by Christ is true comfort. God grant that to us all - parents, students, and staff.

-Pastor Kincaid

## **EAGLE POINT PARK TRIP**

We will have our end of the year field trip to Eagle Point Park tomorrow. This year we will need parents to drop off their students at Eagle Point Park between 8:00 am and 8:15 am. Drop off spot will be at the first parking lot, by the fountain and the playground. Parents will need to bring \$1 to enter the park and keep their receipt. The receipt can be used to enter the park later to pick up your student. If you would like to be reimbursed the \$1, please see Mr. Kuske at the park.

Have the kiddos wear good tennis shoes as we will be running around doing activities most of the day. We will supply sunscreen for the day as well. We will be having a cookout for the kids, so no need to bring a sack lunch this year.

Address for the park is 2601 Shiras Ave. Students can be picked up from 2:45 pm to 3:00 pm by the water tower at the south end of the park. Thanks everyone, should be a fun day!

## **A Day Without Jesus is a Day Without Sonshine!**

When we get busy, I mean really busy, that's when Satan jumps into our lives. Little things fill our focus and move us further from God. Satan uses our activity to misplace our focus. As a teacher, I love when students read during the summer and do some math throughout their summer break. This diligence helps students stay "sharp" with their skills and studies and makes the fall return to school just a matter of watching the calendar.

As a Christian I pray that we do all that we can to grow and share our faith, even in the summer. Regular worship, prayer, and studying of God's Word moves us closer to God and that fulfills His command to do God pleasing things. It is my wish that your summer becomes a time of spiritual growth and that your summer is full of "Sonshine". God bless you and have a great summer!

-Mr. Kuske

### **Note from Kay Posey**

It was quite a surprise, at the Bell Tower Theater, the Friday night of the play, when Kim Peterman, Board President, recognized me for retiring after 15 years of service as school nurse and the lovely message from the students via Vivian Smith. I was lost for words which is unusual. Thank you so very much for the basket of beautiful plants—eight different varieties. Hopefully I can keep them for many years. It has been a joy to serve the DLS as a board member, health teacher and school nurse. Parents will get my last screening report in the student's report card. DLS will continue to be in our prayers and support.

God's Blessings,  
Kay Posey

### **MEMORIAL DAY PARADE**

DLS will again be entering a float in the Dubuque Memorial Day Parade on Monday, May 29<sup>th</sup>. On Monday, any students who would like to participate in the parade will need to be at the lineup at 12:30 pm at Jackson Park in Dubuque. The parade will end in the Washington Park area. Unfortunately there is no candy throwing allowed in the parade, so don't bring any candy. Parents, families, and friends of the school are welcome to travel with the float during the parade. Wear your DLS apparel if you have some! Sara Gansemer is heading up the activities, so if you have any questions, please direct them to Sara at [sarag112785@gmail.com](mailto:sarag112785@gmail.com). Please come and enjoy the fun!

### **CALENDAR DATES TO NOTE**

May 25 – Eagle Point Park trip

May 26 – Chapel/Last Day of School/Cookout – Early Release - 1:10 pm

May 29 – Memorial Day Parade
